

DOVER WATER RESOURCES COMMITTEE MEETING MINUTES - JANUARY 27, 2021

Held remotely via zoom

Present: Professor Gerald Clarke, Chairman; Carol Lisbon, Greg Kahoun, Justine Kent-Uritam, Ron Myrick, members

Guests: Stephen Kruskall, M.D.; Kay Petersen, M.D.; Robert Zockoff; Robyn Hunter

1. Meeting called to order 8:05 am
2. Justine made a motion seconded by Carol to approve the meeting minutes of December 9, 2020 as submitted. The motion passed unanimously.
3. Carol made a motion seconded by Greg to approve the meeting minutes of January 13, 2021 as submitted. The motion passed unanimously.
4. The committee reviewed the scope of services outlined by Kelifelder. Ron emphasized the advantages of staying with the firm. He suggested that a volunteer or employee could be trained to collect data from the monitoring wells which would save some cost. He reiterated that Kleinfelder's professional expertise was best for data analysis.
5. The Warrant Committee has requested a FY22 budget proposal from the Water Resources Committee.
6. A discussion ensued regarding the difficulties of obtaining reports and information from Colonial Water. Carol thought that Chris Dwelley might be helpful in that regard as he has been engaged in ongoing communication with the company. Ron will touch base with Chris.
7. Robyn Hunter reported that the contract between the town and Colonial Water is being negotiated in executive session.
8. Questions were raised as to the best way to have the Town adopt M.G.L. Chapter 21 Section 67 which requires water restricting measuring devices for irrigation systems.
9. Meeting adjourned at 9:50 am
