

Dover Board of Health COVID-19 Meeting Minutes - March 19, 2021

Held remotely via zoom

Participants: Professor Gerald Clarke, Chairman; Stephen Kruskall, M.D., member; Kay Petersen, M.D., member

1. Meeting called to order 11:00 am
2. There was a discussion regarding two BOH items that had been reviewed at the open hearing meeting:
 - The Water Resources Committee's request for \$44,825
 - The request for an additional part time administrative assistant for the BOH office.
3. It was suggested by the Town Administrator that the WRSC request for funding be added to the FY22 BOH operating budget and that the Board consider withdrawing its request for an additional part-time administrative support position.
4. Professor Clarke asserted that the WRSC request had been designated for an article on the Town Meeting Warrant as it was a one time occurrence. He will speak with the Town Administrator for more clarity.
5. Messaging will highlight the need to cooperate with contact tracing Public Health volunteers
6. At 11:37 am it was moved and seconded to adjourn the meeting. The motion was approved unanimously.
