Comprehensive Permit Site Approval Application/Rental

Attached is the Massachusetts Housing Finance Agency ("MassHousing") application form for Project Eligibility/Site Approval ("Site Approval") under the state's comprehensive permit statute (M.G.L. c. 40B, Sections 20-23 enacted as Chapter 774 of the Acts of 1969) known as "Chapter 40B". Developers seeking a comprehensive permit to construct affordable housing under Chapter 40B and intending to use a MassHousing financing program or financing through the New England Fund ("NEF") program must receive Site Approval from MassHousing. This approval (also referred to as "project eligibility approval") is a required component of any comprehensive permit application to be submitted to the local Zoning Board of Appeals of the municipality in which the development is to be located.

As part of its review of your application, MassHousing will conduct an inspection of the site and will solicit comments from the relevant municipality. MassHousing will consider any relevant concerns that the municipality might have about the proposed project or the developer. The applicant is encouraged, therefore, to make contact with the municipality prior to submitting the Site Approval application in order to ensure that the applicant understands any concerns that the municipality may be likely to raise regarding the proposed development.

In order for a project to receive Site Approval, MassHousing must determine that (i) the applicant has sufficient legal control of the site, (ii) the applicant is a public agency, non-profit organization or limited dividend organization, and (iii) the applicant and the project are generally eligible under the requirements of the MassHousing program selected by the applicant, subject to final eligibility review and approval. Furthermore, MassHousing must determine that the site of the proposed project is generally appropriate for residential development (taking into consideration municipal actions previously taken to meet affordable housing needs) and that the conceptual project design is generally appropriate for the site. In order for MassHousing to be able to make these findings (required by 760 CMR 56.04 (4)), it is important that you answer all questions in the application and include all required attachments.

Please note that MassHousing requires that all applicants meet with a member of our 40B Department staff before submitting their application. Applications for any projects that have not been the subject of a required pre-application meeting will not be accepted or processed.

Upon completion of its analysis, MassHousing will either issue a Site Approval Letter that approves, conditionally approves or denies the application. If the application is approved, the applicant should apply to the Zoning Board of Appeals within two years from the date of the Site Approval Letter (unless MassHousing extends such term in writing).

Please note that Site Approval from MassHousing does not constitute a loan commitment by MassHousing or any other financing program. All potential MassHousing financing is subject to further review and underwriting by MassHousing's Rental Lending Department.

Please be sure you have familiarized yourself with all of the applicable requirements set forth in the Chapter 40B regulations and guidelines, which can be found at

<http://www.mass.gov/hed/economic/eohed/dhcd/legal/regs/760-cmr-56.html> and
www.mass.gov/hed/docs/dhcd/legal/comprehensivepermitguidelines.pdf.

Instructions for completing the Site Approval Application are included in the application form which is attached. The completed application form and all additional documentation should be sent, after your pre-application meeting has been held, to:

Gregory Watson, Manager of Comprehensive Permit Programs
MassHousing, One Beacon Street, Boston, MA 02108

We look forward to working with you on your proposed development. Please contact Gregory Watson at 617-854-1880 or gwatson@masshousing.com to discuss scheduling your pre-application meeting or if there is any assistance that we can provide in the meantime to make your application process a smooth and efficient one.

Our Commitment to You

MassHousing recognizes that applicants seek some measure of predictability regarding the timeframe for our processing of their applications. Our staff will endeavor to adhere to the following schedule for reviewing applications for site approval:

Within two (2) business days of receipt of your application (provided that you have attended a required pre-application meeting) a member of our staff will notify you of any of the items listed on the checklist at the end of the application form that were missing from your application package. Please note that our acknowledgement of receipt of an item does not indicate that any substantive review has yet taken place.

If your application package is missing any of the items indicated on the checklist by an asterisk, we will not be able to continue processing your application until such items are received.

If we have received the information which is crucial to the commencement of our review process, we will proceed to (i) give the municipality a period of thirty (30) days in which to submit comments relating to your proposal, (ii) schedule and conduct a site visit, and (iii) solicit bids for and commission and review an "as is" appraisal of your site.

If during our review of your application package we determine that additional information or clarification is needed, we will notify you as soon as possible. Depending on when we receive such additional information, this may affect the amount of time required for MassHousing to complete the site approval process.

Assuming that your application package was complete and that you respond in a timely manner to requests for additional information or clarification, we would expect to issue or deny your site approval within 60 days of our receipt of your application package.

Required Attachments Relating to Section 2

2.1 Existing Conditions Plan

Please provide a detailed Existing Conditions Plan showing the entire site, prepared, signed and stamped by a Registered Engineer or Land Surveyor. Plans should be prepared at a scale of 1"=100' or 1"=200' and should include the following information:

- a. Reduced scale locus map
- b. Surveyed property boundaries
- c. Topography
- d. Wetland boundaries (if applicable)
- e. Existing utilities (subsurface and above ground)
- f. Natural features including bodies of water, rock outcroppings
- g. Existing easements and/or rights of way on the property
- h. Existing buildings and structures, including walls, fences, wells
- i. Existing vegetated areas
- j. Existing Site entries and egresses

Please provide one (1) set of full size (30"x40") plans along with one (1) set of 11x17 reproductions and one (1) electronic set of plans. Please note that MassHousing cannot accept USB flash drives.

2.2 Aerial Photographs

Please provide one or more aerial photograph(s) of the site (such as those available online) showing the immediate surrounding area if available. Site boundaries and existing site entrance and access points must be clearly marked.

2.3 Site/Context Photographs

Please provide photographs of the site and surrounding physical and neighborhood context, including nearby buildings, significant natural features and land uses. Please identify the subject and location of all photographs.

2.4 Documentation Regarding Site Characteristics/Constraints

Please provide documentation of site characteristics and constraints as directed including available narratives, summaries and relevant documentation including:

- Flood Insurance Rate Map (FIRM) showing site boundaries
- Wetlands delineation
- Historic District Nomination(s)

2.5 By-Right Site Plan *(if available)*

MassHousing will commission, at your expense, an "as-is" appraisal of the site in accordance with the Guidelines, Section B (1). Therefore, if there is a conceptual development plan which would be permitted under current zoning and which you would like the appraiser to take into consideration, or if permits have been issued for alternative development proposals for the site, please provide two (2) copies of a "by-right" site plan showing the highest and best use of the site under current zoning, and copies of any existing permits. These will assist the appraiser in determining the "as is" value of the site without any consideration being given to its potential for development under Chapter 40B.

Application for Chapter 40B Project Eligibility/Site Approval for MassHousing-Financed and New England Fund (“NEF”) Rental Projects

Section 3: PROJECT INFORMATION (also see Required Attachments listed at end of Section 3)

In order to issue Site Approval, MassHousing must find (as required by 760 CMR 56.04 (4)) that the proposed project appears generally eligible under the requirements of the housing subsidy program and that the conceptual project design is generally appropriate for the site.

3.1 Preliminary Site Layout Plan(s)

Please provide preliminary site layout plans of the entire Site prepared, signed and stamped by a registered architect or engineer. Plans should be prepared at a scale of 1"=100' or 1"=200', and should show

- Proposed site grading
- Existing lot lines
- Easements (existing and proposed)
- Access to a public way must be identified
- Required setbacks
- Proposed site circulation (entrances/egresses, roadways, driveways, parking areas, walk ways, paths, trails)
- Building and structure footprints (label)
- Utilities (existing and proposed)
- Open space areas
- Schematic landscaping and screening
- Wetland and other restricted area boundaries and buffer zones

Please provide one (1) set of full size (30"x40") plans along with one (1) set of 11"x17" reproductions and one (1) electronic set of plans. Please note that MassHousing cannot accept USB flash drives.

3.2 Graphic Representations of Project/Preliminary Architectural Plans

- Typical floor plans
- Unit plans showing dimensions, bedrooms, bathrooms and overall unit layout
- Exterior elevations, sections, perspectives and illustrative rendering.

3.3 Narrative Description of Design Approach

Provide a narrative description of the approach to building massing, style, and exterior materials; site layout, and the relationship of the project to adjacent properties, rights of way and existing development patterns. The handbook called [Approach to Chapter 40B Design Reviews](#) prepared by the Cecil Group in January 2011 may be helpful in demonstrating the nature of the discussion that MassHousing seeks in this narrative.

3.4 Tabular Zoning Analysis

Zoning analysis in tabular form comparing existing zoning requirements to the waivers that you will request from the Zoning Board of Appeals for the proposed project, showing required and proposed dimensional requirements including lot area, frontage, front, side and rear setbacks, maximum building coverage, maximum lot coverage, height, number of stories, maximum gross floor area ratio, units per acre, units per buildable acre; number of parking spaces per unit/square foot and total number of parking spaces (proposed and required).

Applicant's Ownership Entity Information

Please identify for each of (i) the Applicant and, if different (ii), the Proposed Development Entity, the following (collectively with the Applicant and the Proposed Development Entity, the “Applicant Entities”): the Managing Entities, Principals, Controlling Entities and Affiliates of each.

Note: For the purposes hereof, “Managing Entities” shall include all persons and entities (e.g. natural persons, corporations, partnerships, limited liability companies, etc., including beneficiaries of nominee trusts) who are managers of limited liability companies, general partners of limited partnerships, managing general partners of limited liability partnerships, directors and officers of corporations, trustees of trusts, and other similar persons and entities which have the power to manage and control the activities of the Applicant and/or Proposed Development Entity.

"Principal or Controlling Entities" shall include all persons and entities (e.g. natural persons, corporations, partnerships, limited liability companies, etc., including beneficiaries of nominee trusts) that shall have the right to:

- (i) approve the terms and conditions of any proposed purchase, sale or mortgage;*
- (ii) approve the appointment of a property manager; and/or*
- (iii) approve managerial decisions other than a decision to liquidate, file for bankruptcy, or incur additional indebtedness.*

Such rights may be exercisable either (i) directly as a result of such person's or entity's role within the Applicant or the Proposed Development Entity or the Managing Entities of either or (ii) indirectly through other entities that are included within the organizational structure of the Applicant and/or Proposed Development Entity and the Managing Entities of either.

In considering an application, MassHousing will presume that there is at least one Principal or Controlling Entity of the Applicant and of the Proposed Development Entity. Any person or persons who have purchased an interest for fair market value in the Applicant and/or Proposed Development Entity solely for investment purposes shall not be deemed a Principal or Controlling Entity.

"Affiliates" shall include all entities that are related to the subject organization by reason of common control, financial interdependence or other means.

DEVELOPER SELF-ASSESSMENT

(for consistency with the Sustainable Development Principles)

Redevelop First

Check "X" below if applicable

If Rehabilitation:

- Rehabilitation/Redevelopment/Improvements to Structure ☐
- Rehabilitation/Redevelopment/Improvements to Infrastructure ☐

If New Construction:

- Contributes to revitalization of town center or neighborhood ☐
- Walkable to: ☐
 - (a) transit ☐
 - (b) downtown or village center ☐
 - (c) school ☐
 - (d) library ☐
 - (e) retail, services or employment center ☐
- Located in municipally-approved growth center ☐

Explanation (Required)

Optional – Demonstration of Municipal Support:

Check "X" below if applicable

- Letter of Support from the Chief Elected Official of the municipality* ☐
- Housing development involves municipal funding ☐
- Housing development involves land owned or donated by the municipality ☐

**Other acceptable evidence: Zoning variance issued by ZBA for project; Minutes from Board of Selectman meeting showing that project was discussed and approved, etc.*

Explanation **(Required)**

Method 2: Development meets a minimum of **five (5)** of the Commonwealth's *Sustainable Development Principles*, as shown in the next section below.

If the development involves strong **municipal support** (evidence of such support must be submitted as an attachment), the development need only meet **four (4)** of the *Sustainable Development Principles*. However, one (1) of the Principles met must be **Protect Land and Ecosystems**.

Please explain at the end of each category how the development follows the relevant *Sustainable Development Principle(s)* and explain how the development demonstrates each of the checked "X" statements listed under the *Sustainable Development Principle(s)*.

(1) Concentrate Development and Mix Uses

Support the revitalization of city and town centers and neighborhoods by promoting development that is compact, conserves land, protects historic resources, and integrates uses. Encourage remediation and reuse of existing sites, structures, and infrastructure rather than new construction in undeveloped areas. Create pedestrian friendly districts and neighborhoods that mix commercial, civic, cultural, educational, and recreational activities with open spaces and homes.

Check "X" below if applicable

- Higher density than surrounding area ☐
- Mixes uses or adds new uses to an existing neighborhood ☐
- Includes multi-family housing ☐
- Utilizes existing water/sewer infrastructure ☐
- Compact and/or clustered so as to preserve undeveloped land ☐
- Reuse existing sites, structures, or infrastructure ☐
- Pedestrian friendly ☐
- Other (discuss below) ☐

Explanation **(Required)**

(2) Advance Equity & Make Efficient Decisions

Promote equitable sharing of the benefits and burdens of development. Provide technical and strategic support for inclusive community planning and decision making to ensure social, economic, and environmental justice. Ensure that the interests of future generations are not compromised by today's decisions.

Promote development in accordance with smart growth and environmental stewardship.

Check "X" below if applicable

- Concerted public participation effort (beyond the minimally required public hearings) ☐
- Streamlined permitting process, such as 40B or 40R ☐
- Universal Design and/or visitability ☐
- Creates affordable housing in middle to upper income area and/or meets regional need ☐
- Creates affordable housing in high poverty area ☐
- Promotes diversity and social equity and improves the neighborhood ☐
- Includes environmental cleanup and/or neighborhood improvement in an Environmental Justice Community ☐
- Other (discuss below) ☐

Explanation **(Required)**

(3) Protect Land and Ecosystems

Protect and restore environmentally sensitive lands, natural resources, agricultural lands, critical habitats, wetlands and water resources, and cultural and historic landscapes. Increase the quantity, quality and accessibility of open spaces and recreational opportunities.

Check "X" below if applicable

- Creation or preservation of open space or passive recreational facilities ☐
- Protection of sensitive land, including prime agricultural land, critical habitats, and wetlands ☐
- Environmental remediation or clean up ☐
- Responds to state or federal mandate (e.g., clean drinking water, drainage, etc.) ☐
- Eliminates or reduces neighborhood blight ☐
- Addresses public health and safety risk ☐
- Cultural or Historic landscape/existing neighborhood enhancement ☐
- Other (discuss below) ☐

Explanation **(Required)**

(4) Use Natural Resources Wisely

Construct and promote developments, buildings, and infrastructure that conserve natural resources by reducing waste and pollution through efficient use of land, energy, water and materials.

Check "X" below *if applicable*

- Uses alternative technologies for water and/or wastewater treatment ☐
- Uses low impact development (LID) or other innovative techniques ☐
- Other (discuss below)

Explanation **(Required)**

(5) Expand Housing Opportunities

Support the construction and rehabilitation of homes to meet the needs of people of all abilities, income levels and household types. Build homes near jobs, transit, and where services are available. Foster the development of housing, particularly multifamily and single-family homes, in a way that is compatible with a community's character and vision and with providing new housing choices for people of all means.

Check "X" below *if applicable*

- Includes rental units, including for low/mod households ☐
- Includes homeownership units, including for low/mod households ☐
- Includes housing options for special needs and disabled population ☐
- Expands the term of affordability ☐
- Homes are near jobs, transit and other services ☐
- Other (discuss below) ☐

Explanation **(Required)**

(6) Provide Transportation Choice

Maintain and expand transportation options that maximize mobility, reduce congestion, conserve fuel and improve air quality. Prioritize rail, bus, boat, rapid and surface transit, shared-vehicle and shared-ride services, bicycling and walking. Invest strategically in existing and new passenger and freight transportation infrastructure that supports sound economic development consistent with smart growth objectives.

Check "X" below if applicable

- Walkable to public transportation ☐
- Reduces dependence on private automobiles (e.g., provides previously unavailable shared transportation, such as Zip Car or shuttle buses) ☐
- Increased bike and ped access ☐
- For rural areas, located in close proximity (i.e., approximately one mile) to a transportation corridor that provides access to employment centers, retail/commercial centers, civic or cultural destinations ☐
- Other (discuss below) ☐

Explanation **(Required)**

(7) Increase Job and Business Opportunities

Attract businesses and jobs to locations near housing, infrastructure, and transportation options. Promote economic development in industry clusters. Expand access to education, training and entrepreneurial opportunities. Support growth of local businesses, including sustainable natural resource-based businesses, such as agriculture, forestry, clean energy technology and fisheries.

Check "X" below if applicable

- Permanent jobs ☐
- Permanent jobs for low- or moderate-income persons ☐
- Jobs near housing, service or transit ☐
- Housing near an employment center ☐
- Expand access to education, training or entrepreneurial opportunities ☐
- Support local businesses ☐
- Support natural resource-based businesses (i.e., farming, forestry or aquaculture) ☐
- Re-uses or recycles materials from a local or regional industry's waste stream ☐
- Support manufacture of resource-efficient materials, such as recycled or low-toxicity materials ☐
- Support businesses that utilize locally produced resources such as locally harvested wood or agricultural products ☐
- Other (discuss below) ☐

(6) Provide Transportation Choice

Maintain and expand transportation options that maximize mobility, reduce congestion, conserve fuel and improve air quality. Prioritize rail, bus, boat, rapid and surface transit, shared-vehicle and shared-ride services, bicycling and walking. Invest strategically in existing and new passenger and freight transportation infrastructure that supports sound economic development consistent with smart growth objectives.

- Support manufacture of resource-efficient materials, such as recycled or low-toxicity materials ☐
- Support businesses that utilize locally produced resources such as locally harvested wood or agricultural products ☐
- Other (discuss below) ☐

Explanation (Required)

(8) Promote Clean Energy

Maximize energy efficiency and renewable energy opportunities. Support energy conservation strategies, local clean power generation, distributed generation technologies, and innovative industries. Reduce greenhouse gas emissions and consumption of fossil fuels.

Check "X" below if applicable

- Energy Star or equivalent* ☐
- Uses renewable energy source, recycled and/or non-/low-toxic materials, exceeds the state energy code, is configured to optimize solar access, and/or otherwise results in waste reduction and conservation of resources ☐
- Other (discuss below) ☐

*All units are required by MassHousing to be Energy Star Efficient. Please include in your explanation a description of how the development will meet Energy Star criteria.

Explanation (Required)

(9) Plan Regionally

Support the development and implementation of local and regional, state and interstate plans that have broad public support and are consistent with these principles. Foster development projects, land and water conservation, transportation and housing that have a regional or multi-community benefit. Consider the long term costs and benefits to the Commonwealth.

Check "X" below if applicable

- Consistent with a municipally supported regional plan ☐
- Addresses barriers identified in a Regional Analysis of Impediments to Fair Housing ☐
- Measurable public benefit beyond the applicant community ☐
- Other (discuss below) ☐

Existing Site Summary

61 and 63 County Street (Route 109) (Assessors ID 25-10 & 25-11) Dover, MA

The subject property consists of two parcels located at 61 and 63 County Street identified as Assessors ID 25-10 & 25-11. The property is comprised of a total of 87,120 square feet of land and is currently occupied by two existing single family dwellings, gravel driveways and landscaped areas. The property is located in the General Residence Zoning District -R1 and is abutted by single family residences to the west, north and easterly sides, Dover Village Condominiums consisting of four units are in close proximity to the west, on County Street.

The site is currently developed as residential property with two existing dwellings, one accessory structure, associated parking, walkways and driveways. The topography for the site ranges from an elevation of 305'± at the property frontage along the County Street to elevation 275'± located near the northly part of the site. The northern part of the property is landscaped and has slopes that vary from gradual to steep. According to the NRCS Soil Survey for Norfolk county, the entire site consists of Canton Fine Sandy Loam (map ID 420B).

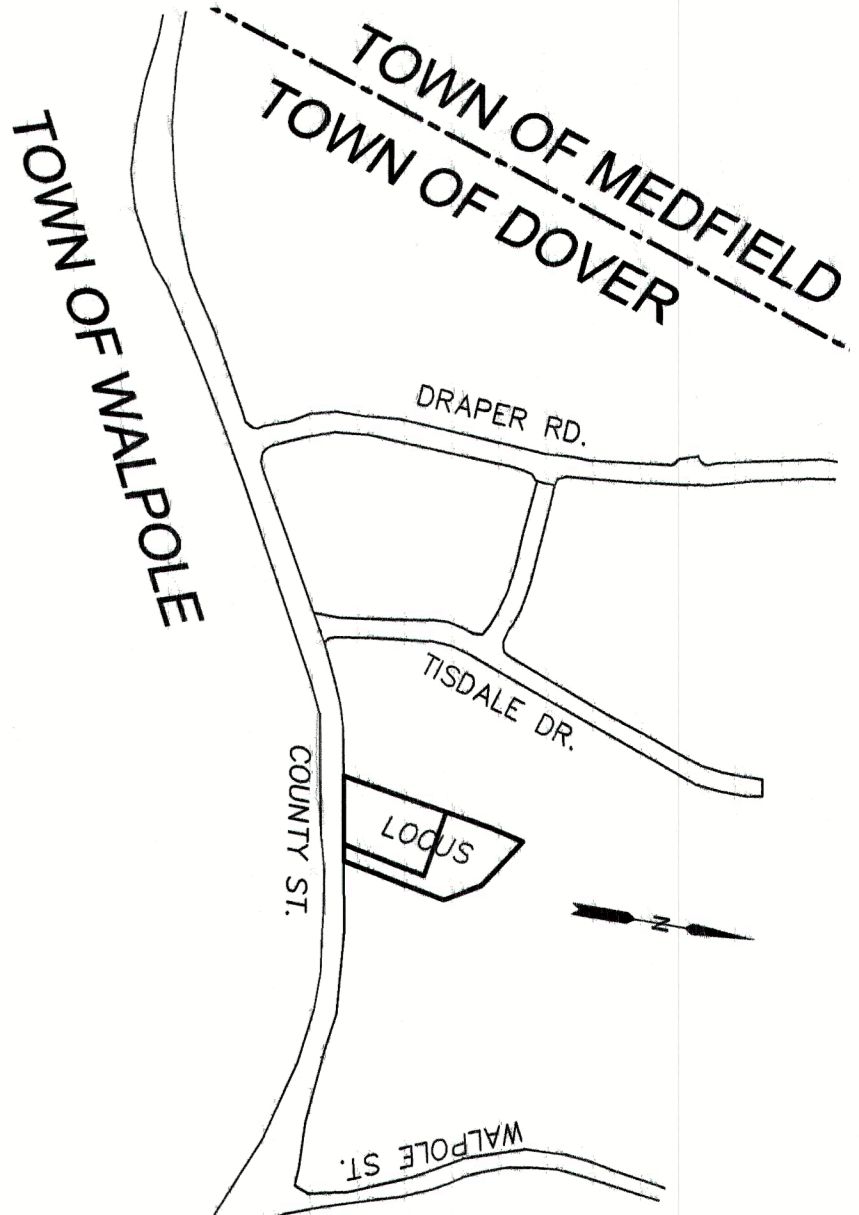

Surrounding Area

The site is located in close proximity to the Chickering Elementary School and has access to a variety of retail shops and restaurants directly along County Street from the subject property to the north and south on County Street.

Existing Site Constraints

The property does not contain any area of critical concern or areas of estimated or priority habitat of rare species, wildlife or vernal pools. The FEMA Flood Insurance Rate Map for Norfolk County, Massachusetts, Map No. 25021C0159E, effective 7/17/2012 shows that the property is located in an area of minimal flood hazard (not in flood).

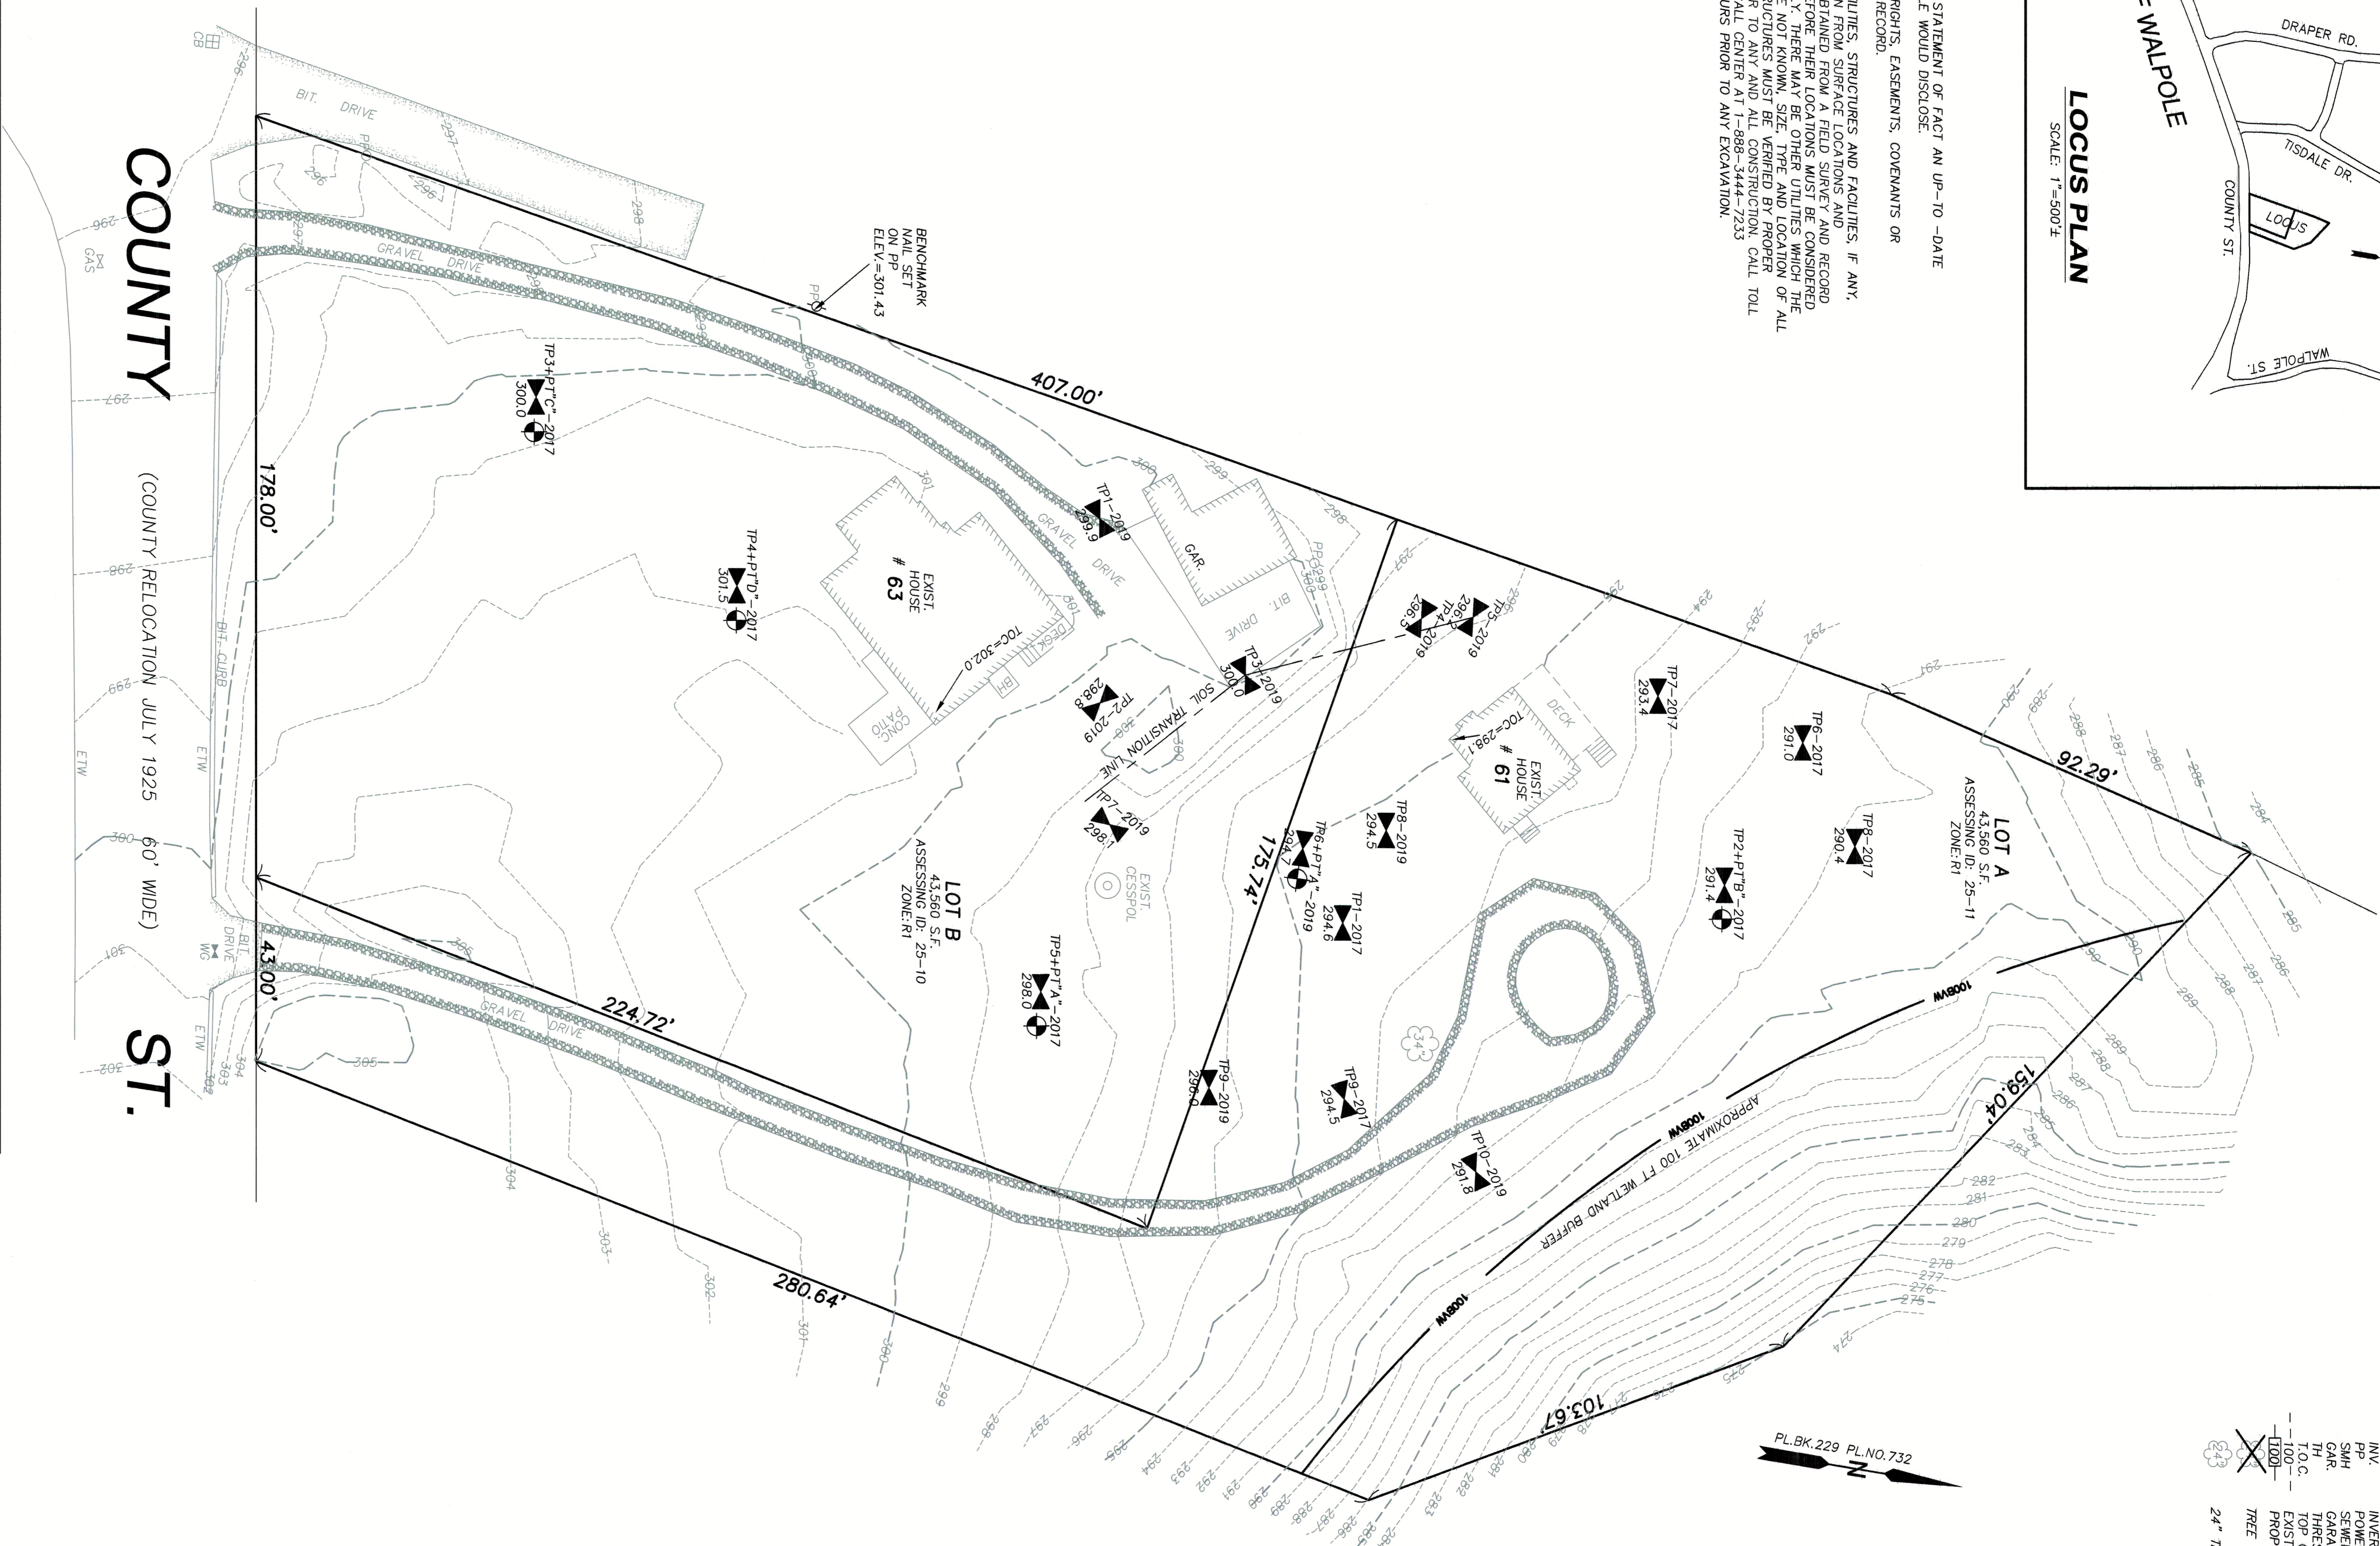

The site has no easements of record, but is subject to 100' buffer zone of jurisdictional wetlands on the northern edge of the property. Subsurface investigations have determining perc-able soils conducive for septic systems under the Massachusetts Title V Regulations.

PROJECT NARRATIVE

RED ROBIN PASTURES 61 COUNTY STREET DOVER, MASSACHUSETTS

The proposed community consists of 39 apartment units: 9 One Bedroom, 24 Two Bedroom and 6 Three Bedroom units spread across three levels of residential living space. There is also a basement which will include additional resident storage and back-of-the-house functions including indoor trash storage. The three main levels and basement are all accessible by elevator. The 1BR and 2BR units on the top level have a ½ story loft accessible from an interior circular stairway. There is a 2-story 465 square foot conservatory on the entry level First Floor, a 200 square foot resident common area on the Second Floor and a 535 square foot meeting room on the Third Floor.

The exterior of the building has been designed to feature finishes commonly found in the local residential buildings including, clapboards, shingles, paneling and 8" cornerboards. Roof rakes are projected away from their gables and fascia/ subfascia board detailing has been included. Other architectural features included to create a "Dover-like" residential feel include a two-piece watertable trim transition located at the foundation; windows located in the shingled & 4-1/2" to the weather clapboard areas have a three-piece surround with an applied sill piece; and the gable roof styled building is finished with architectural roof shingles. The typical 8 pitch roofline is punctuated with 4-1/2 pitch shed roofs and small gabled 12 pitched roofs. Some of the gable roofs are clipped with a hip detail to lower the roofline. The public view of this U-shaped building is from County street only. It appears to be two separate 3-1/2 story multi-gabled buildings 56' wide and 57'-6" wide 45' apart from each other. The massing of the building is stepped with the end gables. The 8 pitch roof slopes down to 5' high kneewalls also designed to help lower the massing. The wall sections shift from each other to break the wall planes into smaller sections. The small gables and roofed 2-story boxed window units help to reduce the massing and add dimension to the facades. The First Floor of this 50' high building is 4' below the street level, making the lower eave of the 8 pitch roof 24' above the street

Each unit is designed with the living room window view visible upon entry. All units will have stacked washer/ dryers and individually metered heating and air conditioning. The 1BR units will have 1 bathroom, the 2BR and 3BR units will have 2 bathrooms.

The location of the proposed development is contextual and in an ideal location for Dover, which is almost exclusively large lot single family homes. More specifically, the project site is located on the edge of Dover adjacent to a 32 foot wide, east-west two lane suburban route, on the west-bound side. County street (Route 109) connects interstates 95 and 495. This 2 acre site is located in a 1 acre single family zone. The site combines two 1-acre lots that currently have single family homes.

This project site is located between a cluster 40B project featuring a small cluster of family homes on a common hammerhead driveway and a 46 unit townhouse development with 12 separate buildings to the west. There is a single family lot to the east.

Re: Proposed financing for Red Robin Pastures, 40B project.

Dear Mr. McGovern:

Thank you for presenting preliminary information regarding development of the subject project. Based upon that preliminary information, Charles River Bank would be interested in reviewing and potentially approving a future application for construction and permanent financing.

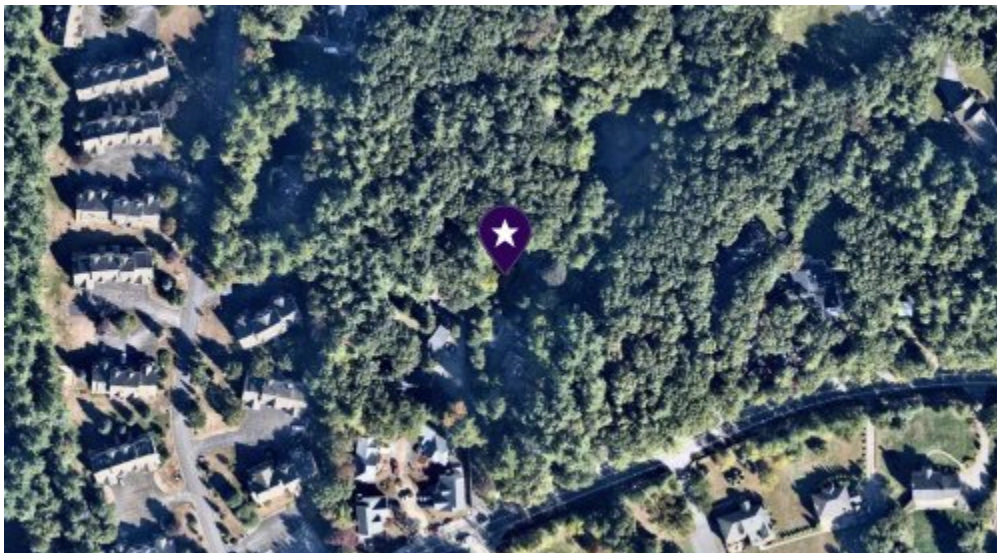

The application should include, but not be limited to, submission of plans, specifications, a detailed budget, project schedule, permits and various other items of documentation necessary for Charles River Bank to complete its evaluation of this opportunity.

This letter does not constitute a commitment for financing, which would be subject to the bank's normal underwriting standards and a formal approval by the bank's Security Committee. Where applicable, Charles River Bank will access NEF funds when necessary per the requirements of MassHousing's NEF program.

Sincerely,

Peter J. Rizzo
Vice President and Commercial Loan Officer

E-mail – paul@pgcmlc.com.

April 19th, 2020.

To whom it may concern.

I, Paul McGovern, am the Principal and manager of PG Construction Management, LLC an incorporation that controls Red Robin Pastures, LLC.

I have worked in construction at a management level for almost 20 years. I started out as a foreman and within 2 years I progressed to a project management level.

Throughout that time I have managed projects of varying sizes through all stages of construction from green field to completion.

I have worked directly with the developers of a number of projects to oversee the construction of their projects. This work has included the management of the construction of

- In excess of 150 residential homes.
- Renovation of 100 units of social housing.
- Renovation and addition to a Cinema Complex.
- Renovation and conversion of a castle ruins into a 4 star hotel with new-build additional bedroom block, leisure complex and conference center. www.kilronancastle.ie \$35m project.
- Renovation and conversion of an old Manor ruins into a 4 star hotel. www.loughrynn.ie \$20m project.

From 2010 to 2019 I acted as Senior Project Manager for a Boston based Building Restoration firm running the construction arm of the company. I was responsible for managing an average of \$6m to \$9m annually of directly completed restoration projects of varying sizes and complexity.

In 2019 I setup my own Project Management entity and I am currently contracted as OPM on a 39 Unit 40B development project in Medfield MA along with various other new construction/remodeling/renovation projects.

I assist the developer of the 40B project on all aspects of this project including permitting, finance, cost control, 40B documentation, project rental/sales, etc. providing extensive knowledge of all aspects of the 40B process.

Should you require any further information on any of the above please do not hesitate to contact me.

Kind Regards,

Paul McGovern

Re: Notice of Application for Chapter 40B Site Eligibility Letter – MassHousing New England Fund Project: "Red Robin Pastures" in the Town of Dover

Applicant: Red Robin Pastures, LLC

Dear Chairperson Hunter:

Red Robin Pastures LLC has been established as a limited liability company for the purpose of developing a 39-unit rental development 61-63 County Road (Route 109) in Dover, proximate to the Walpole and Medfield Town lines. In accordance with Section 31.01(2)(c) of the Rules of the Housing Appeals Committee (760 CMR 31.01), this letter serves to formally notify the Town of Dover that a request for a site approval letter has been made by Red Robin Pastures LLC under MassHousing's New England Fund Program for this development. We have enclosed a copy of the Site Approval Application for your review.

My client has contacted Mr. Carlucci regarding this application and we have already received the benefit of technical input from the Building Inspector, the Town Engineer, the Town Fire Department and Mr. Carlucci himself. We look forward to receiving additional input from the Town throughout the process and most notably during the public hearing process before the Dover Zoning Board of Appeals.

We look forward to discussing this project with the Town in greater detail and formally presenting this application to the full Zoning Board of Appeals in the near future. We appreciate any additional comments contributed by municipal officials as we move forward in this process.

Sincerely,

Geoffrey Engler
Consultant to Red Robin Pastures, LLC

*Re: Notice of Application for Chapter 40B Site Eligibility Letter – MassHousing NEF
Project: Northland Charlemont Development –Newton Upper Falls*

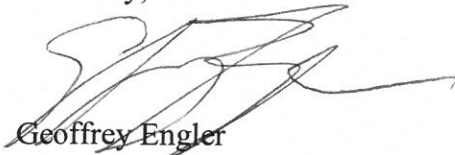

Dear Kate,

SEB is representing the applicant, Northland Charlemont LLC, for the purpose of developing a 39 unit apartment community at 61-63 County Road (Route 109) in Dover. In accordance with Section 31.01(2)(c) of the Rules of the Housing Appeals Committee (760 CMR 31.01), this letter serves to notify the Department that a request for site approval letter has been made by the applicant to MassHousing under the New England Fund Program.

According to the Rules of the Housing Appeals Committee, MassHousing cannot issue a site approval letter until at least 30 days has elapsed from the time of notification to the Town of Dover's Board of Selectmen's Office. Shortly after that time period, we are hopeful that MassHousing will issue a site approval letter so that the applicant can file a comprehensive permit application with the Dover Zoning Board of Appeals. Any comments received from the Town will be considered by MassHousing during this 30-day comment period.

We will notify you when the site approval letter is issued. In the interim, please contact me directly should you have any questions.

Sincerely,

Geoffrey Engler

- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
