

A Message About Town Meeting - Updated 4/30/22

Town Meeting is Monday May 2, 2022. It will be held in Mudge Auditorium, at Lindquist Commons.

The Board of Health recommends that you take a test for Covid on Monday (there are free tests available at the Town House); if you have a positive test, please do not attend the Town Meeting.

Out of concern and respect for our friends and neighbors, we are requesting that all meeting attendees wear masks upon entering Lindquist Commons, and for the duration of the meeting. We also ask for social distancing in the seats. Anyone with questions on articles in the meeting is welcome to go to a microphone, and when recognized by the Moderator, ask your question. While speaking at the microphone, masks must be worn.

If you do not wish to wear a mask, we will direct you to a seat in the cafeteria. There will be a screen set up there, so that you can watch the entire meeting. You will be issued a clicker to allow you to participate in voting throughout the meeting. **Anyone in the cafeteria wishing to ask a question will be able to use a wireless microphone provided by one of the Town Meeting workers.**
